*Mark's parents, who were both accomplished fencers, introduced him to the sport of fencing. Mark has competed successfully at World Cup events, as well as Commonwealth and World Championships. His favourite fencing memories are competing at Mt. Tremblant in the 2007 Pan Am Championships and competing for Canada at home in Canada. Mark trains six to eight times a week, enjoys all aspects of his training — and is always ready to take on anyone in the fencing world! He hopes to be a part of the next Olympic team. Mark graduated from Ryerson Polytechnic University in 2001 with a degree in Fashion and Apparel Design, and now owns and runs a garment factory. He considers his parents to be his biggest supporters and strongest role models. Mark prefers Porsches, Eurobeat music, vinyl records, and pasta, and ranks Muskoka Ontario as one of his favourite places. Future plans include building up his textile and manufacturing business.*
